

REDUCE RE-USE RECYCLE

Supporting our Testimonies to Simplicity and Sustainability

Can you help us by donating unwanted
items?

30th Anniversary Appeal

Celebrating our Pearl Anniversary

1988-2018

Quaker Community

Bamford Derbyshire

We are an independent Quaker Community living, worshipping and working together. We offer retreats, working weeks and individual stays to people of all faiths and none. Members and visitors help in the kitchen, garden and on the land to promote fellowship and sustainable living.

Our characterful old buildings need constant maintenance and renovation. The cost of this is an on going challenge!

In our 30th year we are appealing for practical help and donations to improve our accommodation.

**Can you help us by donating good quality,
used or nearly new goods such as**

Bedding including plain sheets, pillowcases, duvet covers

Double and King size duvets and covers

Curtains

Large table cloths

Tea Towels

New mattresses

Armchairs

Of course financial donations are always welcome! These would be used to improve our existing bath and shower rooms, to build new facilities and other improvements.

Other ways of supporting the community include our Working Weekends, Associate Membership or join us on one of our retreats.

Please call us to discuss any offers of goods or help.

01433 650 085

www.quakercommunity.org.uk

Unsuitable donations will be given to charities supporting refugees and charity shops.

Painting of The Pearl with kind permission of the artist Nina R Aide.

The image of the pearl is an interesting analogy for community living. From the rough grit something of beauty slowly grows, reflecting the luminescence of the pearl contained within its rough shell.
